

University Attendance Policy

Office of the Registrar — Academic Year 2026

1. General Attendance Requirement

Students are expected to attend all scheduled class sessions. A student who misses more than 20% of the total scheduled sessions in a course, whether excused or unexcused, may be administratively withdrawn from that course with a grade of 'WF'.

2. Excused Absences

Absences due to documented medical emergencies, bereavement, military service, or official university-sponsored events are excused, provided supporting documentation is submitted to the instructor within five business days of the absence.

3. Instructor Responsibilities

Instructors must record attendance at every session and report any student who has not attended within the first two weeks of the semester to the Registrar for automatic administrative drop.

4. Appeals

A student administratively withdrawn for excessive absence may appeal to the Dean of Students within 10 business days of notification, providing documentation for any disputed absences.
